**ARTWORK** | John Duckworth | "This particular evening timed sunset with an astronomical high tide caused by a super moon. The foreground in this image is normally marsh grass, but the tide covered it all and allowed me the luxury of 'walking on water'. Looking out over the Kiawah River, the water was so smooth it reminded me of mercury."

**VINEYARD NOTES** | 5 year old, VSP trellis, red ferrus, loamy soils with small deposits of clay. Mild winter, normal to a bit late bud break, solid crop set, freakishly wonderful summer with very long hang time. Harvested 4.8 tons on October 13th.

**WINEMAKER'S TASTING NOTES** | Destemmed, stainless steel fermented, gentle pumpovers twice daily, indigenous primary & secondary fermentation, aged in neutral French oak barrels for 8 months sur lees. Ruby red in color. High tone, racy floral notes of rose petals, cassis, hints of all-spice and crushed black pepper. Background notes of black licorice and caramel. Medium bodied, fresh flavors of ripe raspberry & cassis. Finishes long with red fruits and a hint of licorice. 13.6% alc. 10 barrels made.
