2021 PICPOUL

TIME | 4:58:09pm - 2016-07-13 - Wednesday

PLACE | Stono River - Johns Island - South Carolina
32.778144° N , -80.094260° W

ARTWORK | John Duckworth | "I was in the right place at the right time - standing knee deep in the pluff mudd as a summer storm was rolling over over opposite shore of the Stono River throwing huge lightning bolts and thunder, while the sun was still breaking through the clouds behind me to light up the marsh in the foreground."

VINEYARD NOTES | 4 year old VSP, organically farmed for 20 years!! Redding gravelly clay loam soils. 40 degree temperature swings from mid 50s to 90s make for warm but tempered climate. Late May rains caused some significant shatter that lowered yields to 3.5 tons per acre.

WINEMAKER'S TASTING NOTES | Whole cluster pressed, stainless steel fermented and aged, indigenous primary & secondary fermentation. Pale straw in color. Rich, floral nose of gardenia and citrus peel. Background notes of paper whites, liquid minerals and pine. Bright, mouth-coating flavors of green apple & pear. Finishes long with citrus peel, melon and a touch of salinity.

Terra Alta Vineyard
Lodi 2021
750ml | 12.3% abv
